## EXPLANATORY NOTE

*(This note is not part of the Instrument and does not purport to be a legal interpretation.)*

This Order amends the Taxes Consolidation Act 1997 (Qualifying Urban Renewal Areas) (Dundalk, County Louth) Order 2004 (S.I. No. 619 of 2004) in order to extend the qualifying period set out in that Order in accordance with the provisions of paragraphs (a) and (b) of section 30(1) of the Finance Act 2006 (No. 6 of 2006).

Firstly, in the case of all types of qualifying buildings, the qualifying period is extended from 31 July 2006 to 31 December 2006 where the existing 15 per cent total project cost incurred by 30 June 2003 condition had been satisfied.

Secondly, the qualifying period is extended to 31 July 2008 where, in addition to satisfying the 15 per cent total project cost incurred by 30 June 2003 condition:

- in the case of residential buildings, work to the value of at least 15 per cent of the actual construction or refurbishment costs was carried out by 31 December 2006, and
- in the case of commercial and industrial buildings, a written binding contract in relation to the construction or refurbishment was in place by 31 July 2006 and work to the value of at least 15 per cent of the actual construction or refurbishment costs was carried out by 31 December 2006.

Where the extension to 31 July 2008 applies, then the amount of expenditure incurred on or after 1 January 2007 is subject to certain restrictions (also provided for in Finance Act 2006) when calculating the amount of relief allowable.
