RESIDENTIAL TENANCIES AND VALUATION ACT 2020

An Act to increase notice periods in relation to notices of termination served on tenants during the period from the date of the passing of this Act to 10 January 2021 for failure to pay rent due and to prohibit increases in rents on tenancies of dwellings during that period; to make provision in relation to the giving of notifications, and notices of termination, by landlords to tenants and the Residential Tenancies Board in relation to arrears of rent; to extend the period within which a valuation list in relation to the rating authority area of Dun Laoghaire-Rathdown County Council shall be published; for those and other purposes, to amend the Residential Tenancies Act 2004, the Emergency Measures in the Public Interest (Covid-19) Act 2020 and the Valuation Act 2001; and to provide for matters connected therewith. [1st August, 2020]

WHEREAS the crisis occasioned by the spread of the disease known as Covid-19 is causing and will continue to cause significant harm to the economy of the State and has thus far resulted in a substantial increase in the number of persons who have become unemployed;

WHEREAS the rise in unemployment among persons who reside in residential tenancy accommodation has had an adverse impact on the ability of such persons to meet their obligations to pay rent due, thereby presenting an imminent risk that a significant number of residential tenancies will be terminated by landlords;

WHEREAS any significant increase in terminations of residential tenancies accommodation by landlords increases the likelihood that the former occupants of such accommodation would have great difficulty securing alternative accommodation which could cause acute aggravation of difficulties in the residential accommodation sector including difficulties relating to overcrowding, thereby presenting a substantial risk of spread of that disease with a consequent need for measures to counter its spread that would likely have further adverse economic consequences for the State;

WHEREAS the State has already taken significant measures to deal with the aforementioned crisis including measures to support the economy that have required and

continue to require substantial disbursement and expenditure of public moneys; and

WHEREAS the Oireachtas has, with regard to *Part 2* and *section 13* of this Act, taken account of the matters referred to in the foregoing recitals.

Be it enacted by the Oireachtas as follows:
