## EXPLANATORY NOTE

*(This note is not part of the Instrument and does not purport to be a legal interpretation.)*

These Regulations provide for enforcement of European Union financial sanctions contained in Council Regulation (EC) No. 889/2005 of 13 June 2005 and Council Regulation (EC) No. 1183/2005 of 18 July 2005 concerning restrictive measures against the Democratic Republic of Congo (DRC). The sanctions stem from successive United Nations Security Council Resolutions which impose an arms embargo on the DRC and contain sanctions against persons acting in its violation.

The financial sanctions include a) a prohibition on financing or financial assistance related to military activities in the DRC and b) the freezing of funds and economic resources belonging to persons who impede international efforts in disarmament, demobilisation and reintegration of combatants and the provision of humanitarian assistance in the eastern part of the DRC.

The most recent amendment to these sanctions is contained in Commission Implementing Regulation (EC) No. 1097/2011 of 25 October 2011 which replaces the list of natural and legal persons, entities or bodies subject to the asset-freeze and other restrictive financial measures under Council Regulation (EC) No. 1183/2005 of 18 July 2005.

These Regulations also provide that the Central Bank of Ireland may issue instructions for the purpose of giving full effect to the financial sanctions.

They create offences for breach of the Council Regulation or for failure to comply with the instructions of the Central Bank of Ireland with regard to implementation of the sanctions and they provide for appropriate penalties.
